Training Benefits:

- Massage, Reiki and Polarity Therapists, Holistic Physicians, Energy Workers and individuals are using these powerful tuning forks with the SomaEnergetics Techniques.
- Reconnect with your inner energy potential using the ancient Solfeggio frequencies to balance and restore harmony in your life.
- Sound is a way to free blocked energy, thereby creating openings in which novel choices are awakened and new-found energy becomes available for personal transformation, health and healing.
- These protocols may be used immediately after training for both personal and client-centered application.
- We consider SomaEnergetics Fifth Dimensional Techniques to be integrative and complementary, not alternative.
- Our protocols can be used in complement with nearly all energy and bodywork modalities or as stand-alone protocols.
