**A 12 Hr
CE Course!**

Virginians For Health Freedom in Richmond VA hosts the

Phase 1 Vibrational Sound Course

Introducing 5th Dimensional Energy Vitality Techniques

The Phase 1 Energy Vitality Technique (E.V.T.):

- ✓ Activates energy your client is not using
- ✓ Connects them to Universal Energy Field
- ✓ Safely distributes that extra energy throughout their energy centers.

The E.V.T. enhances the energy flow of your client making other modalities you may offer activate quicker and last longer. **Activating unused energy and reminding your client of their connection to the universal source is one of the greatest gifts you can give someone.** When we access extra energy beyond survival, we can then manifest, heal, and attract wonderful co-creative partnerships and friendships.

That is the genius of the Energy Vitality Technique – connecting them to universal energy to manifest their heart’s desire! The Energy Vitality Technique is the basis for all other techniques in subsequent courses.

Massage, Reiki and Polarity Therapists, Holistic Physicians, Energy Workers and individuals around the country are using our powerful **Solfeggio Frequency Tuning Forks** with the Energy Vitality Techniques. These protocols can be used in complement with nearly all energy and bodywork modalities.
