“Using the Solfeggio to Match the Frequency of YOUR Desires!”**

Through the science of sound, we can open vibrational pathways that connect our personal energy body to Universal Energy matching the frequency of our hearts desires. **We will work directly with the Solfeggio Energy Tuners to match the frequency of YOUR desires including protocols for:**

- ~ Aligning with Soul Purpose
- ~ Raising Your Consciousness
- ~ Physical & Mental Wellness
- ~ Career or Job Change
- ~ Peace of Mind
- ~ Harmonious Relationships (Current or New)

You will also learn how to create your own protocol for your specific desires. **Come and PLAY!**

**2) Sunday, August 27th from 3:30 – 5:30 PM (Suggested Energy Exchange: \$33)
“Brainwaves and Sacred Ratios: Brain, Sun, Moon & Fibonacci Tuners!”**

Using Brain Tuners to Enhance Brainwave States, Sun and Moon to Open Portals for Manifestation and Fibonacci Tuners to Enter Higher States of Consciousness!

Your brain has nerve cells that fire **electrical signals** and oscillate in distinctive arrangements called **brainwave patterns**. These patterns are closely connected to your thoughts, emotions, moods, biological chemistry, everything you do, and really, everything you are. **Imagine if you could easily and gently change those patterns and enter which ever state of mind you desire at any time through the use of tuning forks!** We will also learn a technique to **open portals for manifestation and work with sacred ratios to enter higher states of consciousness!**
