

# TUNING WITH THE STARS

## *Aligning and Releasing with Planetary Energies*

Sound Pioneer, **David Hulse** and Karmic Astrologer, **LeeAnn Cornell** join forces to explore how to combine sound frequency with the energy of the planets to create a resonance that allows for releasing old patterns and activating new alignments.

**Saturday December 8 from 10AM – 4PM**

Pyramid of Enlightenment – Indianapolis, IN

Planetary Tuners are based on the Music of the Spheres. Each Planetary Tuner creates sympathetic resonance between the planet and us. The ancient Greeks knew and used these principles and these doctrines are still alive today in the ancient art of astrology where one's birth chart can hold the key on how to harmonize with these vibrations. The Planetary Tuners activate certain qualities by creating a resonance between the planets and yourself. We can then direct the energy to reach a place of well-being. These Planetary Tuners enhance bodywork and allow you to move to a new level of balance and growth.

**David Hulse** will demonstrate a hands-on, practical system of how Planetary Tuners can be placed on the spinal vertebra based on the Zodiac resonance to bring about healing. He also shares ways of tuning into aspects of the planets for self-healing.

**LeeAnn Cornell**, as a professional astrologer brings her wealth of knowledge on how the planetary energies can help us release from old patterns and pain on every level.

*This is hands on so be sure to wear comfortable clothing as we will be working on each other.*

## Prepare for the Saturday Workshop by joining us Friday Evening for the **Sacred Portals & Brain/Body Communication Workshop**

Friday, December 7 from 7 – 9 PM

Join us for this new, experiential workshop where we will use 2 sets of tuning forks; creating an amazing experience to prepare you for Tuning with the Stars on Saturday:

- Experience using Brain Tuners to shift brain states and enhance your quality of life
- Using Moon-Sun Tuners to create sacred portals for manifestation
- Use both to create optimum communication between your brain and body

**David Hulse** calls upon his life work as a minister, teacher, author and inspirational speaker to empower and assist others using vibration and sound. Since the turn of the century he has explored, developed and created a unique way of using sound and vibration to repattern the etheric body to the 5th dimensional light body. David is a Certified Vibrational Sound Master Teacher (CVSMT) by the Natural Therapies Certification Board.

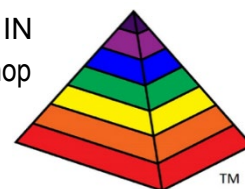

**LeeAnn Cornell** is co-founder of Pyramid of Enlightenment. For over five decades LeeAnn has studied metaphysics. She is also a Certified Vibrational Sound Master Teacher (CVSMT) with SomaEnergetics. She has always wanted to work with people to help them find healing through music and sound. She feels the tuning forks are the keys to help her accomplish this life-long dream.
