

SomaEnergetics Vibrational Sound Pioneer **David Hulse, C.V.S.M.T.** 3 Personal SoundShops in Raleigh, NC – November 2-3, 2018

1) Friday, November 2 from 7 PM – 9 PM (Suggested Energy Exchange: \$25)
“Using the Science of Sound Therapy for Personal Transformation”
Use for Stress Relief, Clearing Space of Negative Energy, Working with Angels, & More!

David will lay the foundation for SomaEnergetics and explore new research showing that stress may be the underlying cause of up to 80% of disease and chronic illness. We invite you to come and experience specific vibrational tools that can assist you in reducing stress and aid in a better quality of life.

2) Saturday, Nov. 3 from 9:30 – 11:30 AM (Suggested Energy Exchange: \$25)
“Activate YOUR Codes with DNA/RNA Tuning Forks!”
Modern Science tells us that you can influence your DNA with frequency and intention!

DNA is our human blueprint. Our physical body is created when this blueprint is combined with the information found in the etheric template. You will learn a technique that activates the DNA Codes needed at this time to assist humanity to the next stage of bio conscious evolution by calling in Archangels and using the new energy coming in to the planet at this time. **We will use this exclusive fork set with a technique designed to call in the Archangels & activate YOUR DNA codes!**

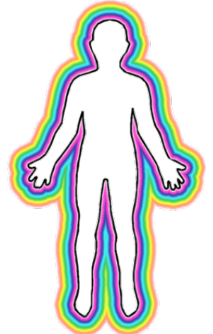

3) Saturday, Nov. 3 from 1 PM – 5 PM (Suggested Energy Exchange: \$35)
Karmic Relief: Awaken to the UNawakened You!

This class is about how to move from suffering to engagement with life. Rather than waiting to win the internal struggle with your own self so that your life can begin, this is about living NOW and living fully WITH (not in spite of) your past, WITH your memories, WITH your fears and WITH your sadness! Inspired by the work of Eckhart Tolle on the Pain Body in “A New Earth”, David Hulse combines his decades of spiritual study and pioneering work in the field of Sound Therapy to bring you a unique and empowering experience. Tolle states, “An essential part of the awakening is the recognition of the unawakened you.”

In this **4-hour Experiential Workshop** we will explore:

Awareness & Knowledge, Empowerment Exercises & Transformation Action Steps:

- Does the voice in your head have a life of its own?
- Do you find yourself re-enacting the past over and over again?
- Are you looking for a different way to handle life’s challenging situations?
- Exercises to break free from the Pain Body
- How to transform the Pain Body into present Energy
- Using Solfeggio Tuning Forks to change your Pain Body Frequency!

Join us if you are ready to dig deep and break FREE from the emotional baggage that is holding you back from being the amazing person you were created to be!
