Comments by Previous Participants

- The information provided and the healing(s) experienced are worth the cost of the workshop alone! The use of the Brain Tuners are the missing link! IT just keeps getting better.
- The workshop was amazing! I look forward to seeing the depth of healing possible. This course is necessary for anyone who is truly serious about spirituality, healing, learning and growth.
- It was a phenomenal learning experience. David and Tim are the best teachers ever!

We invite all practitioners that have completed Phase 1* and Phase 2 to expand their Vibrational Sound skills with the Phase 3 Course featuring the use of our exclusive custom-designed DNA/RNA Tuning Forks! In this course, we are working in the etheric field from which the physical is manifested. All of our techniques are designed around the principle of Divine Healing through intention to bring balance. The tuning forks are used to direct this divine healing energy.
